

FILIPINO EVANGELISM MINISTRY

Ptr. Benjie & Sis. Julie Terrible
Ministry Coordinator

Approximately 5 million Filipinos live in the U.S. and Canada, comprising the second-largest Asian immigrant group in North America. Pastor Benjie Terrible was born in the Philippines and immigrated to Montreal, Canada. He and his wife Julie now serve as the Assistant Pastor for Pastor Paul Graham and St. Laurent UPC. He is the senior Pastor also of the church in NDG Montreal. Every year many conferences are held by the Filipino Evangelism Ministry, with great reports of revival of many souls getting baptized and receiving the baptism of the Holy Ghost. Help them evangelize the Filipino people in North America.
